April 2011

Dear AAA Student,

I hope that you are all well, enjoying the course and like me, looking forward to the seminar at the end of July. The seminar is usually the high point of the year and I have put together an exciting programme. I want to ensure that you will not only find the seminar a good learning experience, but also enjoyable.

NB: if you are not able to attend the seminar, please contact me ASAP.

The date: Friday 29 & Saturday 30 July

Starting times: 8h30 for 9h00 every day

Finishing times: 16h00 on Friday and on Saturday, not later than 17h00.

Venue: The Conference room at Tuishuis Home Lodge, 160 Von Willigh Ave, Clubview, Centurion. This is one of the quest houses on the list and you can have a preview if you visit their website.

The Programme: A detailed programme will be available at registration, but in the mean time a brief idea of what to expect:

Friday: Introduction to Animal Assisted Activities, ethical issues and marketing of AAA programmes: Dr Magdie van Heerden.
Take a walk from Freud to Rogers; Hanna Odendaal
Communication skills: Hanna Odendaal
Questions, discussion, evaluation, conclusion.

Saturday: Applied Human Animal Interactions: Presentation of programmes by AAA practitioners.

What should you bring along: Your notes and perhaps some cash or your cheque book, but most of all – an open mind. Refreshments are included, but we usually also have a few items on sale like books by the late Prof Odendaal at special seminar prices.

Travel and accommodation are your own responsibility, but please let me know should you need assistance. I will try my best to help.

Should you stay in one of the guesthouses on the list or in this area I am willing to assist you to get to the venue and back on the two days of the seminar. Staying in Tuishuis Guest Lodge will of course be the most convenient option.

I am so looking forward to this event and to get to know you all on a more personal level. Please contact me should you need any assistance and I will try my best to help.

Kind regards,

Hanna Odendaal
